

DISCLAIMER

Last Updated: 02 October 2026

The information provided on the **Zesty Zaps Food and Fruit Products** website is intended to provide general information about our products and services.

1. Product Information

We make reasonable efforts to ensure that product information displayed on our website is accurate and up to date.

However, natural and agricultural products can vary in:

- Colour
- Shape
- Size
- Texture
- Aroma
- Taste

Therefore, the actual product may have minor differences from photographs displayed on the website.

2. Food and Nutrition Information

Nutritional values, ingredients and other product information displayed on our website should be read together with the information provided on the product's packaging.

Where there is any difference between website information and the current physical product label, customers should rely on the applicable product label and contact us if clarification is required.

FSSAI has specifically advised e-commerce food businesses that product claims displayed online should align with information on the physical product label and that food information requirements applicable to online sales must be followed.

3. Health and Nutritional Claims

Information about nutrients or general product characteristics is not intended to constitute medical advice.

Our products should not be considered a substitute for medical treatment, professional medical advice or a prescribed diet.

Customers with medical conditions, allergies, food intolerances or specific dietary requirements should consult an appropriately qualified professional and review the product's ingredient and allergen information before consumption.

4. Allergies

Customers are responsible for checking product ingredients and allergen information before consuming a product.

If you have a known allergy or food intolerance, please contact us before placing an order if you require additional information.

5. Storage

Customers must follow the storage instructions provided on the product packaging.

Improper storage after delivery may affect product quality and shelf life.

6. Product Images

Product images are provided for illustrative purposes.

Actual product appearance may vary because of natural agricultural variation, dehydration processes, lighting, photography and packaging.

7. Website Availability

We make reasonable efforts to keep our website available and functioning properly.

However, we do not guarantee that the website will always be available, uninterrupted, error-free or free from technical problems.

8. External Links

Our website may contain links to third-party websites or services.

We are not responsible for the content, availability, security or privacy practices of third-party websites.

9. Pricing and Availability

Prices, product availability, descriptions and other website information may be changed or corrected when necessary.

If an obvious pricing, product or technical error occurs, we reserve the right to take appropriate corrective action, subject to applicable law.

10. Limitation

Nothing in this Disclaimer is intended to exclude or restrict any liability or consumer right that cannot legally be excluded or restricted under applicable law.

11. Food Business Compliance

Zesty Zaps Food and Fruit Products operates in the food-products sector and will comply with applicable food-safety, licensing, labelling and other regulatory requirements relevant to its business.

FSSAI states that food business operators in India are required to obtain the applicable FSSAI registration or licence under the Food Safety and Standards framework.
